AWARD OF CONTRACT

AWARD OR REJECTION: The County may reject any or all proposals. The County may waive any informality or irregularity.

RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS It is the responsibility of the prospective Proposer to review the entire request for proposal packet and to notify the Auditor if the specifications are formulated in a manner that would restrict competition or appear ambiguous. Any protest or question(s) regarding the specifications or proposal procedures must be received in the Auditor's Office not less than seventy-two (72) hours prior to the time set for proposal opening. Proposers are to submit their proposal as specified herein or propose an approved equal.

SUBSTITUTES/ DESCRIPTION OF MATERIALS AND EQUIPMENT Any brand name or manufacturer reference used herein is intended to be descriptive and not restrictive, unless otherwise noted, and is used to indicate the type and quality of material. The term "or equal" if used, identifies commercially produced items that have the essential performance and salient characteristics of the brand name stated in the item description. All supplies, material, or equipment shall be new and of the most suitable grade for the purpose intended. For clarification, "new" includes products containing recovered materials that are EPA-designated items and additionally see Section 63 of these General Provisions on contracts involving federal funds. It is not the County's intent to discriminate against any materials or equipment of equal merit to those specified. However, if Proposer desires to use any substitutions, prior written approval must be obtained from the Auditor and sufficiently in advance such that an addendum may be issued. All material supplied must be one hundred percent (100%) asbestos free. Proposer, by submission of its proposal, certifies that if awarded any portion of this procurement, the Proposer will supply only material and equipment that is 100% asbestos free.

EXCEPTIONS TO PROPOSAL CONDITIONS The Proposer will list on a separate sheet of paper any exceptions to the conditions of this request for proposal. This sheet will be labeled, "Exceptions to Proposal Conditions", and will be attached to the proposal. If no exceptions are stated, it will be understood that all general and special conditions will be complied with, without exception.

The Proposer must specify in its proposal any alternatives it wishes to propose for consideration by the County. Each alternative should be sufficiently described and labeled within the proposal and should indicate its possible or actual advantage to the program being offered.

The County reserves the right to offer these alternatives to other Proposers.

AWARDED PRICES During the contractual period of the resultant contract, any prices submitted by the respondent shall include all costs to the County, including the material, delivery, current freight rate, state tax, or any other cost.

Award prices include all royalties and costs arising from patents, trademarks, and copyrights in any way involved in the work. Whenever the Awardee is required or desires to use any design, device, material or process covered by letters of patent or copyright, the Awardee shall indemnify and save harmless the County, its officers, agents and employees from any and all claims for infringement by reason of the use of any such patented design, tool, material, equipment, or process, to be performed under the contract, and shall indemnify the County its officers, agents, and employees for any costs, expenses and damages which may be incurred by reason of any infringement at any time during the prosecution or after the completion of the work.

Cass County is a tax-exempt local government of the State of Texas, therefore, no taxes shall be included with submitted pricing.

Cash discount must be shown on the proposal, otherwise prices will be considered net. Unless prices and all information requested are complete, the Proposal may be disregarded and given no consideration.

In case of default by the contractor, the Cass County may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the contractor, the difference between the price named in the contract of purchase order and the actual cost thereof to the Cass County. Prices paid by the Cass County shall be considered the prevailing market price at the time such purchase is made. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the County Auditor and the Commissioners' Court.

PRE-PROPOSAL CONFERENCE A pre-proposal conference for the purpose of discussing contract requirements and answering questions of prospective Proposers may be conducted in this procurement. Only a principal, officer, or employee of the Proposer may represent the Proposer at the pre-proposal conference and no person may represent more than one Proposer at the pre-proposal conference.

The proposed cost to the County will be considered firm and cannot be altered after the submission deadline, unless the County invokes its right to request a best and final offer.

The above insurance requirements are not intended to be compounded with the Contractor's standing insurance policies. If the Contractor already has in force insurance policies which provide the required coverage, there is no need to purchase duplicate coverage for this project.

Policies must include the following clauses, as applicable.

- a. "This insurance shall not be canceled, limited in scope or coverage, or non-renewed until after thirty (30) days prior written notice, or ten (10) days for non-payment of premium, has been given to Cass County."
- b. "It is agreed that the Contractor's insurance shall be deemed primary with respect to any insurance or self-insurance carried by Cass County for liability arising out of operations under the Agreement with Cass County."
- c. "Cass County, its officials, directors, employees, representatives, and volunteers are added as additional insured as respects operations and activities of, or on behalf of the named insured performed under Agreement with the Owner." This is not applicable to the workers' compensation policy.
- d. "The workers' compensation and employers' liability policy will provide a waiver of subrogation in favor of Cass County."
- e. Policies and/or endorsements shall show the following address for Cass County as additional insured, and all notices shall be sent to this address:

Workman's Compensation\$1,000,000

WORKERS' COMPENSATION INSURANCE COVERAGE:

In the event that Contractor employs any individual to perform any portion of the Work, Contractor shall comply with Texas Labor Code, §406.096, which requires workers' compensation insurance coverage for all employees providing services on a building or construction project for a governmental entity. Contractor shall require all subcontractors to maintain Workers' Compensation Insurance coverage on their employees and to otherwise comply with the provisions set forth below.

- A. Definitions:
- (1) Certificate of Coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the Texas Workers' Compensation Commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the Duration of the Project.
 - (2) Duration of the Project - includes the time from the beginning of the work on the Project until the Contractor's work on the Project has been completed and accepted by the Owner.
 - (3) Coverage – Workers' compensation insurance meeting the statutory requirements of the Texas Labor Code, §401.011(44).
 - (4) Persons providing services on the Project ("subcontractor") - includes all persons or entities performing all or part of the services the Contractor has undertaken to perform on the Project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the Project. "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
- B. The Contractor shall provide Coverage, based on proper reporting of classification codes and payroll amounts and filing of any Coverage agreements, which meets the statutory requirements of Texas labor Code, §401.011(44) for all employees of the Contractor providing services on the Project, for the Duration of the Project.
- C. The Contractor must provide a Certificate of Coverage to the Owner prior to or contemporaneously with the execution of this Agreement.
- D. If the Coverage period shown on the Contractor's current Certificate of Coverage ends during the Duration of the Project, the Contractor must, prior to the end of the Coverage period, file a new Certificate of Coverage with the Owner showing that Coverage has been extended.
- E. The Contractor shall obtain from each person providing services on the Project, and provide to the Owner:
- (1) a Certificate of Coverage, prior to that person beginning work on the Project, so the Owner will have on file Certificates of Coverage showing Coverage for all persons providing services on the Project; and
 - (2) no later than seven days after receipt by the Contractor, a new Certificate of Coverage showing extension of Coverage, if the Coverage period shown on the current Certificate of Coverage ends during the Duration of the Project.
- F. The Contractor shall retain all required Certificates of Coverage for the Duration of the Project and for three years thereafter.
- G. The Contractor shall notify the Owner in writing by certified mail or personal delivery, within 10 days after the Contractor knew or should have known, of any change that materially affects the provision of Coverage of any person providing services on the Project.
- H. The Contractor shall post on the Project site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the Project that they are required to be covered, and stating how a person may verify Coverage and report lack of Coverage.

- I. By signing this Agreement or providing or causing to be provided a Certificate of Coverage, the Contractor is representing to the Owner that all employees of the Contractor who will provide services on the Project and all persons providing services on the Project will be covered by workers' compensation coverage for the Duration of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- J. The Contractor's failure to comply with any of these provisions is a breach of Agreement by the Contractor which entitles the Owner to declare the Agreement void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

The furnishing of the above listed insurance coverage must be tendered prior to execution of the Agreement. The Contractor shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of the Agreement or as required in the Agreement. If the Contractor fails to obtain, maintain, or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement terminated if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

The Owner reserves the right to review the insurance requirements set forth in this Article during the effective period of the Agreement and to make reasonable adjustments to the insurance coverage and their limits when deemed necessary and prudent by the Owner based upon changes in statutory law, court decisions, or the claims history of the industry as well as the Contractor.

The Owner shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such policies. Damages caused by the Contractor and not covered by insurance shall be paid by the Contractor.

PREVAILING WAGES: Cass County requires that Contractors utilize the Davis-Bacon Act in determining prevailing wages. The Davis-Bacon Act applies to federally funded or assisted projects. The Contractor and its subcontractors shall be required to pay the prevailing wage rate based on the Davis-Bacon wage rates applicable to Cass County, Texas at www.wdol.gov.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

CASS COUNTY CONFLICT OF INTEREST STATEMENT

INSTRUCTIONS FOR CONFLICTS OF INTEREST QUESTIONNAIRE

H.B. 914, passed during the 2005 Texas legislative session, as amended by H.B. 1491 passed in 2007, requires certain persons who wish to conduct business or be considered for business with a County to file a “conflict of interest questionnaire.” The Texas Ethics Commission (TEC) created the conflict of interest questionnaire (FORM CIQ). These laws are codified in Chap. 176 of the Texas Local Government Code.

What vendors/persons are subject to Chapter 176?

The word “person” includes a partnership, corporation or other corporate body, including those performing professional services. Such partnerships or corporations act through individuals, but it is the partnership or corporation that would be seeking to do business with the County.

- Any “person” who contracts or seeks to contract for the sale or purchase of property, goods, or services with a local governmental entity.
- An agent of a person who contracts or seeks to contract for the sale or purchase of property, goods, or services with a local governmental entity.
- A vendor shall file a completed conflict of interest questionnaire if the person has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with an officer of that local governmental entity, or a family member of the officer that results in taxable income exceeding \$2,500 during the 12-month period preceding the date a contract is executed or a contract is being considered; or

(2) has given an officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value of more than \$250 in the 12-month period preceding the date a contract is executed or a contract is being considered.

What triggers the requirement to file a “conflict of interest questionnaire”?

When a person begins (1) contract discussions or negotiations with the County or (2) submits an application, response to request for proposals or Proposals, correspondence, or writing related to a potential agreement, Form CIQ must be completed. Whether the person initiates the discussion or the County initiates the discussions, Form CIQ must be completed. Even if the vendor has no affiliation or business relationship with an officer or employee of the County, Form CIQ must be completed and submitted.

To what type of contracts does the bill apply?

Any written contract and any implied contract, such as purchase orders, procurement card purchases, utility purchases, or any exchange of money or other consideration for some service or property. The monetary amount or value of the contract/purchase does not matter.

When must a vendor file the conflict of interest questionnaire?

No later than seven days after the date the person: (a) begins contract discussions or negotiations with the County, or (b) submits an application or response to a request for proposals or Proposals, correspondence, or another writing related to a potential agreement with a County, or (c) becomes

aware of an employment relationship with a local government officer or family member of the officer, or (d) becomes aware of a qualifying gift.

What has to be revealed?

Section 176.006 requires disclosure of a person's employment or business relationships. This includes each employment or business relationship with a corporation or other business entity with respect to which a local government officer services as an officer or director or holds an ownership interest of 10% or more.

How do I go about filling out the Conflict of Interest Questionnaire form?

Each number below corresponds with the number on FORM CIQ:

1. Fill in the full name of the person who is trying to do business with the County. If the person is a corporation, partnership, etc., then it is the name of that corporation, partnership, etc., that is required on Form CIQ.

2. Check box if the form is an update to a form previously completed. Updates are required by the 7th business day after an event that makes a statement in a previously filed questionnaire incomplete or inaccurate. Updates are also required by September 1 of each year in which the person submits a proposal, Proposal or response to the County of Cass or begins contract discussions or negotiations with the County.

3. Complete this Section by listing the name of the local government officer (member of County Council or County Manager) with whom there is an affiliation to or business relationship with and you checked the "Yes" box in Section 3 A, B, or C.

If there is more than one local government officer (County Council or County Manager) with whom there is an affiliation or business relationship, more than one page two may be needed to provide information on each local government officer.

4. State whether the local government officer named on the form receives or is likely to receive taxable income, other than investment income, from the vendor filing the questionnaire.

5. State whether the filer receives or is likely to receive taxable income, other than investment income, from or at the direction of the local government officer named on the form AND the taxable income is not received from the local governmental entity.

6. State whether the filer is employed by a corporation or other business entity with which the local government officer serves as an officer or director or holds an ownership interest of 10% or more.

7. Describe each employment or business relationship with the local government officer named on the form.

8. Signature box. Person completing form must date and sign the form. If the form is being completed for a corporation, partnerships, etc., the person signing should be someone who is authorized to act on behalf of the corporation, partnership, etc.

A signature is required in box #4 regardless of any other entry on the form.

CERTIFICATE OF INTERESTED PARTIES

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908 of the Government Code](#). The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million, or (3) is for services that would require a person to register as a lobbyist under Chapter 305 of the Government Code. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

The successful bidder will be required to submit a signed 1295 form to the County prior to the award of this bid and/or prior to signing a contract with the County. The successful bidder will be required to complete and print the form via the Texas Ethics Commission's website at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

The "identification number" to be used on the 1295 form for this procurement is:

RFP 26-0002

All prospective bidders shall familiarize themselves with this requirement and agree to provide the completed Form 1295 if selected as the successful bidder for this procurement.
